26 February 1970

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

1. Per a telecon with [REDACTED] this date,
I was told the following:

a. [REDACTED] has a number of contracts
with Westover, RADC, and Headquarters, and one with
NPIC/PSG/AID for "half of the software for the IIS."
[REDACTED] is the Project Officer.

b. [REDACTED] is compiling an "Image
Enhancement" program for RADC and an "Image Manipula-
tion" program for [REDACTED]

2. Sometime in the future--probably after 15 April
1970--[REDACTED] would appreciate the opportunity of briefing
us on the scope of their intelligence related computer
support activities. From the first sampling, it appears
that this would be useful information.

[REDACTED]
Special Assistant for T&A
Research & Engineering Division
